

**Permission for School Administration
of Non-Prescription and Prescription Medication
Lexington County School District One**

For school use only:

- Routine
 PRN (As needed)

Start Date: _____

Whenever possible, parents/guardians should give their children their medications before or after school hours. The school nurse should not give your child the first (initial) dose of any medication that he or she has never taken before. Please do that at home.

In order for your child to receive any prescription or non-prescription medication, you must completely fill out one of these forms for each medicine and give it to the school nurse. You must fill out a form and include the prescribing health care provider's signature and directions from that health care provider for proper administration even if it is a non-prescription medication. The medication, whether prescription or non-prescription, must be in its original labeled container. If you were given "samples" of any medications by your health care provider, those samples must also be in a container that appropriately identifies the medication.

The following section is to be completed by the prescribing health care provider.

Child's Name _____ Date of Birth _____

Name of School Child Attends _____ Grade _____

The following section is to be completed by child's parent or guardian.

I give permission for my child, _____, to be given the above medication as prescribed. I give permission for the school nurse or school administrator to contact the health care provider named above or the pharmacist, who filled the prescription, to discuss this medication and my child's health. I give permission for the health care provider named above, the pharmacist and/or their designated employees to provide information about this medication and my child's health to the school nurse or school administrator. I also give permission for this form to apply if I transfer my child to another school in Lexington District One during the current school year. I will not hold the school, school district or school personnel liable for any adverse drug reactions when the medication is administered according to the prescribed methods. I agree to notify the school if my child's medication changes.
