Dear Colleagues and Friends,

I am thrilled to welcome you all to our SCBDA Prelim and Finals events for the 2023 marching season! Our students, parents, teachers, administrators, community members and support systems represent the very best among all of us, and we showcase their cumulative efforts in these events with great anticipation and pride. Under the leadership of our Marching Chair, Chris Moss and our esteemed committee members, many hours of work have taken place in preparation for you today.

To every student who has worked tirelessly to prepare for the events, we want you to know that the SCBDA is overjoyed that you are making music, preparing your shows, and making life-long memories with your teachers and friends. Preparing for these events will go a long way in shaping you for challenges in your life, and the time spent daily is an invaluable investment in who you are, your sense of dedication, and the resilience that will help carry you through life. No matter what your placement, we are proud of you!

To the teachers in our band programs, you are, without a doubt, the greatest pathway to the future for our students. Your dedication to this activity and the students who stand before you each day finds its reward in the faces that will light up the field during these events, and we are grateful that you are among our membership.

To the administration of each school, parents, community members and extended support systems, I challenge you to continue to work tirelessly to make sure these opportunities are afforded to every student in our communities! If we truly value the contribution of bringing music to the lives of young people, let us all protect that reality by being vocal and relentless advocates for this activity and its place in our students' lives. Never take "no" for an answer. Never stop demanding that music is in our schools in a valued, supported, and funded way. Join with your decision makers in bringing this to reality in your community.

To our host schools, THANK YOU! These events could not happen without you. We appreciate your hard work and preparation.

Thank you ALL for being a part of this day. Let's all have safe travels, treat each other with love and dignity and respect, and CONGRATULATIONS to everyone in advance!

Go Band!

# WELCOME TO 2A/4A LOWER STATE AND TO WHITE KNOLL H.S.

October 21, 2023

Dear Friends, Families, Fans and Performers,

Welcome to the home of the White Knoll High School Timberwolves and to the SCBDA 2A/4A Lower State Band Championships! We are honored to have you with us today. The incredible marching bands represented here today are sure to provide a level of entertainment that is second to none!

Our band boosters, students, and staff have been working hard in preparation for making this SCBDA 2A/4A Lower State Championship a highlight of your season! These experiences and memories will last a lifetime. We hope today will become a memorable day for not only those competing but for all of you in attendance today.

"Music for the sake of music." Any responsible music educator will emphatically echo this important mantra; it is the keystone theme that serves as the foundation of music teaching, music learning, and music performance. There is no substitute or replacement for music making as it relates to the positive growth and development of the human mind, body, and spirit. Participation in band avails the musician to the infinite journey of creative expression connecting to a language (music) that is understood, communicated, and appreciated by all of mankind around the globe. More importantly, MUSIC IS A PLACE FOR EVERYONE.

We ask should you need assistance in any matter during your visit with us today you allow us to help, as you have enhanced our day of activities through your attendance. We also ask that you treat all bands and students with respect. Please do not enter or exit the main stands while a band is on the field performing. Also, please cheer for every band performing today as all band students have put in countless hours in preparation for their performance today.

Thank you for your attendance and enjoy the wonderful presentations by all the marching bands you will see today! Welcome to the SCBDA 2A/4A Lower State Championships! It's great to have you all back with us!!

Musically Yours,

**OTTO HAGE**
